<TEXT>I do not want to pay more for my telephone service! I urge  
you to reject a flat fee proposal that would change how  
contributions are made to the Universal Service Fund. I am  
concerned that this proposal could make my current service  
unaffordable.

I use my wireless phone for safety, security and convenience. I  
don't want to lose these benefits so that big businesses can pay  
less than their fair share. I urge you to reject the proposal to  
move the USF collection system to a flat-fee.

Keep the USF Fair!

Sincerely,

Johnny Schmelling
